Isle of Hope K-8

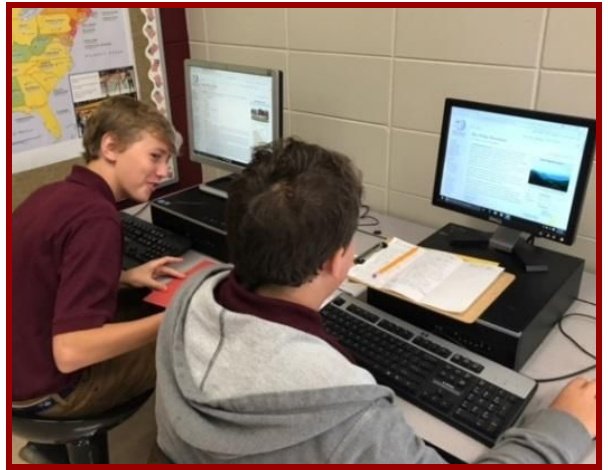

SCIENCE TECHNOLOGY ENGINEERING ARTS MATH

Today begins the first distribution of our monthly STEAM newsletter designed to keep parents, students and the community informed about what's happening with our **STEAM initiative** at Isle of Hope K-8. Be sure to ask your students how science, technology, engineering, the arts, and math are evident in their learning across the content areas. Check out our STEAM webpage at:

www.IsleOfHopeSTEAM.com

6th Grader Jamon Adkins learning the musical notes and scale in middle school band.

8th Graders Henry Fowler and Owen Walsh doing online research for a STEAM project.

6th Graders Breanna Plummer and Harley Gilstrap enjoying Ms. Peigelbeck's art connections class.

STEAM clubs will begin the next month with Astronaut Club with Mrs. Rethwisch, Lego Robotics Team with Mr. W.Smith, and more. Our STEAM bulletin board can be found on the upper floor across from Dr. Sutlive's office. All announcements will be posted there!

Remember, no school on Monday, August 21st due to the solar eclipse. For more information about the eclipse and some fun activities you can do at home, visit...
