

The highlight of our STEAM Neighborhood connection is the yearly local **Isle of Hope Neighborhood "Art & Music Festival"**, held Saturday, October 21st down on the bluff, Paxton Park, and here at the Isle of Hope neighborhood school.

Middle School CHORUS students (led by Music teacher Susan Gordon) joined with our Isle of Hope EXPRESSIONS troupe (led by teachers Mrs. Delecia Ray (4th grade) and Jalisa Joseph to bring a variety of performances.

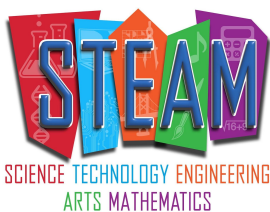

Art Teacher Magen Peigelbeck organized and spearheaded this multi-faceted STEAM event which covered all aspects of the "A" (Arts) of STEAM.

8th Grader Rachel Whitehead sang and played for the audience. Behind the scenes, she is also a creative force for our IOH STEAM Robotics Team.
